

## Erratum

### **Observations on speech characteristics associated with childhood apraxia of speech in a dynamic motor speech assessment**

In Rex, S. (2025). *Observations on speech characteristics associated with Childhood Apraxia of Speech in a dynamic motor speech assessment*. Acta Logopaedica, 2. <https://doi.org/10.58986/al.2025.25792>, an error occurred in the published article metadata: three authors were inadvertently omitted.

The omission affected the article metadata only. The complete and correct list of authors was included in the published PDF and XML versions from the time of initial publication.

The correct author list is:

Susanne Rex\*<sup>1 2</sup>, Edythe Strand<sup>3</sup>, Anders Sand<sup>1</sup>, Anita McAllister<sup>1</sup>

<sup>1</sup>Division of Speech and Language Pathology, Department of Clinical Sciences, Intervention and Technology (CLINTEC), Karolinska Institutet, Stockholm, Sweden;

<sup>2</sup>Medical Unit of Speech and Language Pathology, Skåne University Hospital, Sweden;

<sup>3</sup>Mayo Clinic College of Medicine, Rochester, MN, USA

\*Corresponding author

On 9 February 2026, the article metadata was corrected to include the three omitted authors and their affiliations. A corrected [version of the article](#) (Version 2) has been published. No changes have been made to the article content.
